References

We are glad to give the references to the company P. W. – Konsulting OTTIMA plus S. J., which supported implementation of the Quality Management System according to ISO 9001:2000 requirements in our company.

On 12th – 15th September 2005 r. we obtained the certificate of registration from the certification Body BSI Poland.

During the period of our cooperation the consultants of OTTIMA plus trained the core employees, supported QMS documentation preparation and helped us introduce QMS.

We recommend the company OTTIMA plus as partner as consulting and training services provider.
