## LETTER OF REFERENCE

"OTTIMA plus" company was selected by us to support us in preparation for obtaining ISO/TS 16949 and ISO 14001 certificates.

During the cooperation "OTTIMA plus" provided the various type of help to us, such as: explanation and interpretation of principles of ISO/TS and ISO 14001 standards, carrying out the trainings for people involved in the system, supporting while preparing system's documentation, assistance in preparation for certification.

"OTTIMA plus" was recognized by us as reliable and experienced partner without which we would not manage to obtain ISO certificates.

Gentlemen representing Ottima are top specialists in ISO systems and in addition to it are fully flexible regarding schedule of meetings.

We recommend "OTTIMA plus" to any company taht is seeking for support during preparation for obtaining ISO certificates.

  
(Koichi Miyagawa,  
Vice President of Kotani Poland)
